ANY OTHER BUSINESS

Marius asked about when the Christmas decorations should go up - historically they have been up for the bowling club dinner.

We all agreed there should be a **TOILET** sign put up outside new toilet door.

A new subcommittee has been formed with Marius, Carol, Geryl, Chris, Alan, Steve & Phil. It will have no powers - just to identify items that need to come to the main committee meetings.

At the food handlers course it was suggested that we have a catering dish washer - cost would be about £1,500 - £2,000.00 to buy and install. Fiona is going to look into this further.

It was suggested that our meetings should start at **7.30**.

Marius going to email to see if anyone would like to organise our village carol singing.

Alan said 49's lottery prize is now £30.00 as there are now extra numbers.

DATE OF NEXT MEETING
